On behalf of the Board of Governors, we are very happy to welcome you into our Association and look forward to a long and fruitful collaboration, productive not only for the universities and departments that make up our membership, but also for the societies of our region, which face a number of similar or related problems and challenges.

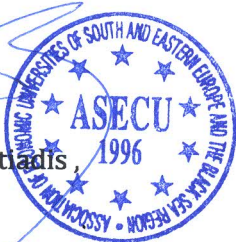

As a member of the Association you will be informed about our regular conferences and meetings, as well as any other events organized by other members. Please feel free to call on the services of the Association Secretariat should any matter arise, which you wish to draw to the attention of other members, or in case you need any information about our activities.

The Secretariat will inform you at the beginning of each year for your financial obligations as a **regular member** of the Association, which thereby enables you to all the rights and obligations of a full member.
