Short description of the company	<p>The <b>Comillas Foundation</b> is an international benchmark institution in the teaching, research and diffusion of the Spanish language and Hispanic cultures.</p> <p>This is an alternative campus, an educational project designed to promote the development of knowledge. A meeting place for people from all kinds of backgrounds, with different aspirations and profiles but who all share a common goal: creating knowledge in Spanish.</p> <p>The Comillas Foundation offers an ensemble of activities concerned with the creation of knowledge in Spanish. These activities can be divided into three large complementary groups: conferences, courses and cultural activities.</p> <p>Another of the characteristics defining courses offered by the Comillas Foundation is its support for innovation and technology as basic tools in the learning process. For this, a powerful telematic platform is being developed so as to be able to offer students mixed teaching – attendance courses combined with distance learning, so that students will get the best out of both educational methodologies.</p> <p>The Comillas Foundation has a specific educational package available for each target market:</p> <ul style="list-style-type: none"> <li>- Students of Spanish.</li> <li>- Teachers of Spanish as a Foreign Language.</li> <li>- Executives and professionals who use Spanish at work.</li> <li>- Companies and institutions.</li> </ul> <p>The academic activities of the Comillas Foundation are developed in <b>CIESE-Comillas (The International Center for Higher Spanish Studies)</b>, whose hallmarks are:</p> <ul style="list-style-type: none"> <li>- Excellence in teaching, research and development of educational programs.</li> <li>- Emphasis on innovation and technology as basic and valuable tools in the teaching and learning process (R&amp;D).</li> <li>- Collaboration with national and international institutions and companies highly regarded in both the academic and professional worlds.</li> </ul> <p>Therefore, CIESE-Comillas provides a comprehensive academic program that offers undergraduate and graduate degrees together with tailor-made courses and different courses of specialization.</p> <p><b>Classroom Without Walls</b> is an innovative program that allows students to immerse in real professional contexts, thus enhancing their learning process with fundamental hands-on</p>

	experiences. Classroom Without Walls relies on the support and participation of a large network of public and private organizations and companies, whose coordination is framed within the Government of Cantabria's strategy to promote regional growth, Invercantabria.
